REVERSES ON TURKISH FRONT

Field Marshal Mackensen Leaves
For West Front, According to
Telegram Today

(By United Press.)

London, April 4.—A lull in fighting on the west front continued today except north of Montdidier. There the artillery duels assumed heat, according to the Paris announcement.

Northwest of Rheims where American troops are fighting and along the west bank of the Meuse French troops took enemy trenches and prisoners.

East of Rheims the enemy fell down.

At Petrograd it was stated that Tarko-German forces had been thrown back 45 miles from Batum and were driven back at the Ereum-Kars line.

Field Marshal Mackensen has left for the west front, according to a telegram today.

First Stage Half Ended

With the French armies in the field, April 4.—Military men regard the first stage of the German offensive as half ended, similar to the first stage of the battle of the Somme.

The Germans are not likely to be able to renew the offensive before the expiration of a three day interval when they will probably attack again with Amiens as the objective.

The allies are prepared, although the enemy so far has engaged 100 divisions—1,200,000 men—of which a fourth have been mangled up and withdrawn.

U. S. Air Forces Great Help

With the British armies in France April 4.—United States air forces aiding the British have done splendidly. British officers praised the Americans and airmen highly.

They work night and day in the great battle with Maj. Gen. Perry's force of signal, field survey, engineering units and similar bodies. This force at a critical period voluntarily stuck in hastily dug trenches east of Amiens for several days, fighting valiantly until the tension was relieved.

Enemy Artillery Moving

With the American army in France, Apr. 4.—The Toul front was bombarded heavily again today. Only slight damage was done.

Additional German artillery was observed moving toward the front. It is uncertain whether it was a relief or a re-inforcement.

Pressages Troop Movements

Zurich, April 4.—The German-Swiss frontier will be closed Friday, it was announced today.

The closing of the German frontier at any point in the past, often has preceded important troop movement there.

Russians Repulse Germans

Petrograd, April 4.—Ukrainian and German forces seeking to recapture Odessa and Nicolaïss were repulsed it was announced today.

The Tarko-German fleet headed toward Odessa was driven back by the Russian Black sea fleet.

Amsterdam, April 4.—German Chancellor Hertling is seriously ill, it was learned here today.

(By United Press.)

Amsterdam, April 4.—The allies recent air raids on Coblenz, Treves and Cologne were extremely formidable, it was learned today.

At Coblenz 26 were killed and 100 injured. The railway station was demolished.

The Treves railway was hit and great stores of munitions smashed.

In Cologne the station was damaged and 17 persons were killed and 60 injured.

MEETING IN WASHINGTON

(By United Press.)

Washington, April 4.—Criticism of the government for dealing too leniently with enemy aliens, the foreign language press and German propaganda was voiced by governors of states and chairmen of state councils of defense at a meeting with the national council today.

Immediate action and drastic measures to check the activities of German sympathizers and disloyalists was demanded. Delay in enacting legislation dealing with the situation is due to German propaganda officials believe.

TO ANSWER CZERNIN
IN BALTIMORE SPEECHPresident Will Reply to Austrian
Peace Feelers That America
Will Fight to Finish

PREPARE SATURDAY ADDRESS

(By United Press.)

Washington, April 4.—President Wilson will answer Count Czernin's peace talk with assurance that America will fight to a finish.

This was indicated clearly by American authorities today who stated that all peace talk is fake.

Peace feelers of the Austrian minister of foreign affairs will be met by an emphatic war message when the president speaks in Baltimore Saturday. The president is now preparing his address.

PEACE WITH ROUMANIA

(By United Press.)

Petrograd, April 2.—The Russo-Roumanian peace treaty has been concluded. It provides for Roumanian evacuation of Bessarabia within two months, exchange of prisoners and exportations to Roumania of the Bessarabia wheat surplus.

BAKER VISITS PREMIER

(By United Press.)

Rome, April 4.—Secretary Baker returning from the Italian front, visited Premier Orlando and expressed his admiration of the Italian army and the people's spirit of resistance. He said America is proud to have Italy as an ally for fighting for civilization and justice.

EX-CONGRESSMAN TO TALK

Ralph Moss of Brazil to Address
Carthage Liberty Loan Meeting

One of the biggest Liberty Loan meetings for the Liberty Loan campaign in the county is scheduled for Carthage on Saturday night when Ralph Moss of Brazil, Ind., ex-congressman, is scheduled to make a patriotic address and speak on the Liberty Loan. Judge Will M. Sparks will make a short patriotic address at the meeting. Great interest about Carthage is centered in the gathering and a large attendance is expected.

COUNTY GIVES 5
BOXES CLOTHINGThis is Contribution of Local Peo-
ple For Belgian Men, Women
and Children

SHIPPED TO NEW YORK TODAY

Shipment of 1,277 Articles Weighing
1,459 Pounds Packed by Red
Cross

Five boxes of clothing, comprising entire outfits for men, women and children in Belgium, is Rush county's offering to the inhabitants of that war ridden country.

In this first great demand on Rush county for clothing, the people responded most generously and from every part of the county came clothing in the best condition. Many entirely new outfits were donated while the majority of the remainder was scarcely worn. Everyone contributing used excellent judgment in the clothing sent and none of the practically useless articles, which usually mark shipments of this kind, was received at the local headquarters.

The clothing was compiled under the direction of the local Red Cross chapter and was packed yesterday ready for shipment today to the headquarters of the Belgium relief at Binghamton, New York. A total tonnage of 1,459 pounds comprising 1,277 articles of clothing made up the shipment from Rush county. The following list comprises the entire number of garments shipped:

Men's trousers, 83; men's vests, 37; boys' trousers, 11; men's suits, 21; men's coats, 25; men's overcoats, 12; ladies' coats, 95; ladies

HE LIVED NEAR RICHLAND

Everett L. McHenry, Rush county's first draftee to go across, has arrived safely in France, according to communications from the young man.

Private McHenry, who resided near Richland, left Rushville on the morning of September 21 with Rush county's first increment of drafted men for Camp Taylor where was a member of Company C of the 334th infantry. A short time ago he was transferred from the Kentucky camp to Camp Merritt, New Jersey, where he trained in the general headquarters department for overseas service. It is in that branch that he is now serving.

Washington, April 4.—Short Furloughs will be granted men in the army to return home and assist in the spring planting, the war department has announced.

BOYS ARE PRAISED
FOR FAITHFULNESSForty in High School Who Pledged
And Earned \$10 For Y. M. C.
A. Honored Wednesday

TWO SHORT ADDRESSES MADE

Red Triangle Flag is Presented by
Freshmen Class—Appropriate
Songs Are Sung

It is not a compliment to say that you boys who have paid your Y. M. C. A. pledge are patriotic," began E. B. Thomas in addressing the high school students yesterday afternoon at the program given honoring the Red Triangle boys of the First Hundred Thousand. "The greatest compliment you can have is that of your own conscience that you have done your duty and done it well. It is easy to respond to an appeal such as the challenge was given to you several months ago asking that you pledge and earn ten dollars for the army Y. M. C. A., but it is something more to hold out faithful."

Life is not a goblet to be drained but a measure to be filled and you boys have shown that your attitude in life is to give and not to take. You have done a big thing and prepared yourself for doing far greater things," he concluded.

That Rushville high school and Rush county are proud of the forty Red Triangle boys who pledged ten dollars to the army Y. M. C. A. and paid it was shown by the impressive demonstration given at the school when a beautiful Red Triangle flag was presented to them by Miss Florence Flechart in behalf of the Freshmen class. Bordered with a stripe of red and with a red triangle in the field of white for each of the boys the flag has a blue stripe through with the number "100,000," the number of boys over-America who pledged one million dollars for the Y. M. C. A. army fund.

T. M. Green, who was chairman of the Y. M. C. A. campaign, praised the boys highly for their patriotism and success and voiced his surprise that everyone of them had completed their pledge. "Now that this work is completed, boys, turn your attention to buying Thrift stamps, which too is a help to the government. In a very clear manner, Mr. Green explained the Thrift stamp campaign and how the stamps could be purchased.

The principal, S. F. Stewart, opened the program, thanking all of the classes for their patriotism in presenting the flags, which have been given to the high school this year. The Freshmen girls then sang a clever parody, "The Battle Cry of Feed 'Em." Emerson Headlee gave an appropriate recitation, "A Troop of Guard Rides Forth to War." Miss Magdalene Arbuckle sang a beautiful solo, with original words for the Red Triangle boys. Raymond Clarkson, one of the boys of the First "Hundred Thousand" accepted the flag. Superintendent J. H. Scholl read the names of the forty boys whom the program honored.

Miss Flechart in a talk told how proud the members of the high school were of the boys who had completed their pledge. "This one hundred per cent record for the boys paying their pledge is exceptionally good and I am sure everyone in R. H. S. is proud of the boys who have worked so faithfully and fulfilled their promises. To show how proud we are of these boys, the Freshmen class is giving to the high school a Red Triangle flag and I take great pleasure in presenting it to you." Miss Flechart gave a history of the movement and told of the great work done by the Y. M. C. A. in the army.

Raymond Clarkson responded, for the boys, saying it had been a pleasure to work for such a cause and

FRANK PITTSFORD IS DEAD

Former Rushville Man Expires in
California—Burial Here

Word has been received here of the death of Frank Pittsford, formerly of this city, who died in California. Mr. Pittsford, until about six years ago lived here. The remains will be taken from California to Newcastle, where he has two daughters. After the funeral services there, the remains will be taken to the Ben Davis cemetery for burial. Mrs. Pittsford, who died 18 years ago, was buried in the same cemetery. The funeral is not arranged.

RESTRICTION ON
PARCELS ABROADOnly Things Which Soldier Requests
May be Sent According to
New Postal Ruling

APPLIES TO EXPRESS ALSO

Request Must Have Approval of Ex-
ecutive Officer of the Soldier's
Organization

In the future, parcels sent to the boys with the American Expeditionary forces abroad shall contain only the articles which have been asked for and the request for which has been approved by his regimental or higher commander or an executive officer of the organization with which he is connected.

The strict order given out by the postal department follows the congested condition of the shipping facilities and the great demand for all of the shipping room which may be obtained for sending men food and other necessities abroad. The practice of sending boxes to the soldiers and sailors abroad has grown to such an extent that were it practically abandoned, many more tons of necessary supplies could be sent in their stead.

The order reads: "On and after April 1, 1918, parcels for members and individuals connected with the American Expeditionary forces in Europe shall not be accepted for mailing or dispatched unless they contain such articles only as are being sent at the written request of the addressee, approved by his regimental or higher commander or an executive officer of the organization with which he is connected.

Postmasters must secure the assurance of the sender in each case that all articles contained in the parcel are sent at the addressee's approved written request, and that such request is inclosed in the parcel by requiring the sender to place on the wrapper of the parcel under his name and address the following indorsement: "This parcel contains only articles sent at the approved request of the addressee which is inclosed." The approved written request shall be inclosed in the parcel. Parcels containing articles not sent in accordance with such approved written request shall not be accepted for mailing. They should be returned to the sender."

The same order refers to express and freight shipment companies.

The new ruling will be felt in this county for with a number of Rush county's boys abroad, boxes are sent every day through the local office and express companies to them.

REPUBLICANS TO MEET

County Chairman A. L. Riggs has called a meeting of the precinct committee men, their helpers, and the candidates for the primary to be held in his office tomorrow evening at 7:30 o'clock. All are urged to attend the meeting.

Jake Clifton has announced that he is a candidate for the republican nomination for trustee of Union township.

A "SNIVELLING SNEERER"

Watson Thus Refers to Censor in
Discussing Measure to Fine and
Imprison Critics

(By United Press.)

Washington, April 4.—During the debate on the bill imposing \$10,000 fine and 20 years imprisonment for publication of statements derogatory to this country, Sen. Watson of Indiana demanded the removal of George Creel, who as chairman of the federal committee on public information, is the chief government censor.

"I want to know if Creel would not be subject to this bill?" Watson asked.

He then read an editorial which he declared Creel had written while an editor in Colorado. The editorial contained a severe criticism of the United States senate.

"Do we really enjoy any greater liberty than the subjects of the Czars?" Watson quoted from the editorial.

"The United States senate is a body that sits in despotism and is not responsible to the people," he continued, reading the statement.

"Calling Creel a snivelling sneerer," Watson demanded that he be removed from office by the senate.

CONVERTED INTO A
PATRIOTIC MEETINGAfternoon Session of Institute Op-
ened to Public to Hear Dr. L. C.
Davis

ON EVE LIBERTY LOAN DRIVE

The patriotic mass meeting which will be held in the Graham school on Saturday afternoon at two o'clock will be unusually interesting because of the fact that Dr. L. C. Davis, an authority on Germany, will give his most popular lecture, "The Unbalancing of the German Mind." Everyone is invited to attend the meeting and take advantage of the unusual opportunity to hear Dr. Davis of Indiana university who is one of the country's best informed men on the subject which he is particularly well equipped to present. Preceding the opening of the Liberty Loan drive, as it does, the Rush county war organization, has taken advantage of Dr. Davis' presence here and will turn the meeting into a great patriotic event.

Dr. Davis will be here in the morning to address the teacher's institute and the afternoon session will be turned over to the public.

CHARLES STEVENS IS DEAD OF TUBERCULOSIS

Dies at Home of His Half Sister in Orange Wednesday at The Age of Sixty Years

FUNERAL FRIDAY AT 2 P. M.

After a long illness from tuberculosis, Charles Stevens, aged 60, died at the home of his half sister, Mrs. John Heeb in Orange yesterday afternoon. Mr. Stevens was born in Orange where he lived until about a year ago when he moved west of this city. For the past few months, he had lived in West Third street in this city. Although in poor health for a number of years, Mr. Stevens had been confined to his bed only recently when his condition started growing much worse. He was a retired farmer.

He was a member of the Methodist church of Orange and of the Red Men's lodge. Surviving him are a half sister, Mrs. Heeb of Orange, and a half brother, George Harrell, of this city.

The funeral services will be held on Friday afternoon at 2 o'clock at the home of Mrs. John Heeb in Orange, by the Rev. Mr. French of the Glenwood Methodist church. The Red Men will have charge of the services. Burial will be made in the cemetery near the Applegate school house near Orange.

CLASS GIFT IS RECEIVED

"The Student," From 1917 Graduates at Graham School

The gift of the class of 1917, a beautiful picture "The Student," by Rembrandt is now hanging in the assembly room at the high school building. The picture was purchased by the class with the proceeds of the class play "The Witching Hour," and only recently it arrived and has been framed. The picture is very inspiring and one of the best pictures in the building. Another picture, a group picture, was presented by the same class. It has not yet been framed.

HE CAN REST EASY NOW

"I suffered greatly from kidney and bladder trouble," writes F. B. Fairbank, 35 Grand River Ave., W. Detroit, Mich. "Had to get up six or seven times during the night. Foley Kidney Pills have worked wonders but I can recommend them as the best medicine I have ever taken." This sterling family remedy relieves rheumatic pains, backache, stiff joints, sore muscles, and other ills attributed to kidney trouble. F. B. Johnson.—(Adv.)

T. E. McALLISTER'S MOTHER SUCCUMBS

Rushville Man Returns From Dunganon, O., Where he Attended The Funeral

EIGHT CHILDREN SURVIVE

T. E. McAllister has returned from Dunganon, Ohio, where he attended the funeral of his mother, Mrs. Mary A. McAllister, a pioneer of that community, who was 90 years of age. The death occurred at Canton.

The deceased had been ill for several weeks and during the two weeks preceding her death Mr. McAllister was at his mother's home. She was the widow of Daniel McAllister and the last surviving member of a family of eleven. Her parents, John and Mary Meister, were French pioneers of Columbia county, Ohio.

Mrs. McAllister is survived by eight children: Lawrence D. McAllister of Canton, O., J. E. McAllister of Alliance, O., James H. McAllister of Elyria, O., Mrs. Isadore Smith of Minerva, O., Mrs. Luella Hardesty, Mrs. Allie Kibler and Miss Hattie McAllister, all of Canton, O., and Mr. McAllister of this city.

The funeral services were conducted at St. Phillip's Catholic church at Dunganon, O., with burial in the Dunganon Catholic cemetery.

LENROOT IS CHOICE FOR U. S. SENATE

Republican Candidate Wins in Wisconsin by Majority Estimated at 10,000

A FEW MISSING PRECINCTS

Milwaukee, Wis., April 4.—Representative Irvine L. Lenroot, republican of Superior, has been elected United States senator to succeed the late Paul O. Husting, having defeated Joseph E. Davies, democrat, in Tuesday's election, according to incomplete returns, by a majority estimated at more than 10,000. Victor L. Berger, socialist, ran third, approximately 35,000 behind Davies, from the figures at hand. Similar returns indicate the election of Marvin B. Rosenberry, present incumbent, justice of the supreme court over Charles H. Crownhart, a LaFollette leader, by more than 40,000. Both ran as nonpartisans. The precincts still to report, will, it is expected, increase the winner's leads.

In the republican counties where the LaFollette following is strong the republicans who voted for Husting in 1914 appear to have given their support to Lenroot this year. Davies made gains over the vote given Husting in some quarters, but in a number of counties in the northern part of the state he lost some of the Husting strength. This was especially true in the counties composing Mr. Lenroot's congressional district.

INTEREST AROUSED IN MAYS MEETING

Enthusiastic Start Will Be Made Friday Evening For Center Township's Part in Drive

WAR ORGANIZATION MEETS

Patriotic interest is centering around the meeting which will be held in the Mays opera house tomorrow evening at 7:30 o'clock. An enthusiastic start at the meeting will be made for the active part which the township will take in the Liberty Loan drive. In view of the excellent program which is offered, a large attendance is urged for the meeting. Judge Will M. Sparks, E. B. Thomas, Samuel L. Traube, and J. T. Arbuckle are the speakers scheduled to make the patriotic appeals at the meeting.

A stimulus of interest was given to all patriotic enterprises at the meeting of the Center township war committees which was held at the home of Bert Benner in Mays last evening. The entire organization appointed to serve on the county war organization met, discussed the different phases of war work, and formulated plans for the future.

MERCHANTS MAKES DISPLAY

"Plan to Plant" Week Is Being Observed in Rushville

Window displays have started for the observance of "Plan to Plant" week which is to be observed by the merchants of the city this week. Last week was set aside by the Food administration of the state when merchants were asked to give displays which would suggest the planting of gardens. Because of the Easter style displays, however, the observance of the week was put off. Hugh Manzy, merchant's administrator, is calling the attention of the merchants to the fact that they are asked to present garden displays.

AN OLD RECIPE TO DARKEN HAIR

Sage Tea and Sulphur Turns Gray, Faded Hair Dark and Glossy.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

Send for Swift & Company's 1918 Year Book

It shows that Swift & Company sells the meat from a steer for less money than the live steer cost!

Proceeds from the sale of the hide, fat, and other by-products covered all expense of dressing, refrigeration, freight, selling expense and the profit of \$1.29 per steer as shown by Swift & Company's 1917 figures as follows:

Average price paid for live cattle per steer	\$84.45
Average price received for meat	68.97
Average price received for by-products	24.09
Total received	93.06
This leaves for expenses and profit	8.61
Of which the profit per steer was	1.29

SAYS HIT THE HUN BY BUYING BONDS

Major General Barry Says Aid Liberty Loan to Avert Indemnity Fund.

By MAJ. GEN. THOMAS H. BARRY, [Former Commandant at Camp Grant, Rockford, Ill.]

Four years ago the German government started a war, which evidence makes certain had for its object the domination of the world, the crushing of democracy and the establishment of autocracy in its stead.

Evidence of this far-reaching plot appeared as the war was prosecuted by the Germans with such lawless cruelty that in an effort to parallel their inhuman savagery a shocked world has revived the medieval word "Hun."

The government of the United States observed neutrality until their sovereign rights were openly and contemptuously invaded. They were then called upon to decide whether to surrender their rights and their liberty or to engage in war. Rightly they decided to engage in war. That war is now in progress and it will be won by "hitting the Hun."

To hit the Hun, soldiers must go to the firing line in Europe, but that costs money, and if we are to "hit the Hun" from the firing line at the front there must be no faltering in the fund line at the rear.

To prosecute the war successfully, larger sums of money are needed by this government than it ever has needed before. I have read an estimate that it costs a thousand dollars to shoot a Hun.

To provide the stupendous total the government asks its citizens for a temporary loan of the cash, they have to invest. As security, it gives its promise to repay the full amount with a good rate of interest. The promise to repay the amount borrowed constitutes the Liberty bonds. They are offered in denominations to suit all purses, and whoever subscribes to a Liberty bond is helping to "hit the Hun."

A time will come when so many have been hit that just one more will constitute his defeat, the collapse of his government and the triumph of liberty. But the war will not be won until some one has hit this last Hun.

So I beg every American who has in his heart love for the liberty of the world, and cash to invest to purchase Liberty bonds, and I urge every social club or society, every school, factory, department store, for security company and other organizations, and individuals to form "Hitting the Hun" clubs and purchase Liberty bonds enough to take a shot at a Hun.

Liberty will give strength to the arm line to observe strength in the fund line and someone will have the honor of subscribing the fund that hits the last Hun in the war.

If we do not subscribe now to the Liberty bonds to help the war we will not contribute to the victory.

AMERICAN SOLDIERS IN FRONT LINE TRENCHES AT LORRAINE GATE

Here are two of the first pictures received in the United States showing our boys at the actual fighting front holding a portion of the Lorraine sector against the Teuton horde. At the top is shown a section of a trench held by American troops, and at the bottom a soldier ready to fire a signal rocket as a warning that a German attack has begun.

WHAT THE WOMEN OF FRANCE DO TO HELP PRODUCE FOOD

My words are not powerful enough to do even scanty justice to the most heroic figure in the modern world, and of ages past—the woman of France. Of the healthy men who are engaged in the military service in France, practically all are engaged either in transportation or in the manufacture of munitions, leaving the agriculture absolutely to the women. Not only this, but they have stepped into the place of work animals; you can go into any section of France today and see women of magnificent, noble womanhood hitched to the plough and cultivating the soil. All of the agriculture rest upon their shoulders. The home, always an extremely efficient home, maintains a few old men, the wounded, and the tubercular. Uncomplaining, with high devotion, with an attitude that amounts almost to religious exaltation, the woman of France bears the burden.

Now, conditions being as they are, does it lie within the heart of the American people to preserve and hold to every convenience of our life at the expense of adding an additional burden to the womanhood of France? This is the exact question that is involved in our substitution of other cereals in place of wheat. The women of France must be enabled to hold up the morale of the French soldier until next spring. The morale of the house—decides the morale of the soldier in the fighting line. We can do this by giving to them the greatest possible freedom in their food supply, and of this, wheat is the chief factor.

MARY JANE SMALL, 75 IS DEAD AT CARTHAGE

Widow of Noah Small Succumbs Wednesday Evening After Year's Illness With Cancer

FUNERAL WILL BE FRIDAY

Following a year's illness of cancer, Mrs. Mary Jane Small, 75, died yesterday evening at seven o'clock at her home in Carthage where she had resided alone for many years.

The deceased, who was the widow of Noah Small, became ill more than a year ago and although she was slightly improved following an operation the relief was only temporary and for several months her condition had grown steadily worse. During the past three weeks her condition was extremely grave and her death had been expected at any time.

The funeral services will be conducted Friday afternoon at the residence with burial in the Walnut Ridge cemetery. The Rev. L. C. Lebert will have charge of the services.

CONTEST OF DISTRICT LEAGUE HERE FRIDAY

Four Debating Teams Will Participate and Winner Will go to Bloomington, April 19

FINANCING THE WAR, TOPIC

The sixth district Indiana high school league contest will be held in the Graham high school building on Friday afternoon at 3 o'clock. The four counties in the league will be represented by debating teams from Milroy, Fortville, Newcastle, and Richmond.

"Financing the War," is the subject for the debate and each of the speakers will be allowed seven minutes to present his argument and two minutes for the rebuttal. The judges will choose the winning team which will represent the district at the state league contest to be held in Bloomington on April 19, the anniversary of the Battle of Lexington.

TRAINING SCHOOL FOR BOYS RESERVE

Fifteen Boys to be Sent to Farm to Learn Agricultural Arts Under Direction of Experts

150 BOYS ARE TO BE TRAINED

(By United Press.) Terre Haute, Ind., April 4.—The first farm training school for the United States Boys Working Reserve has opened 15 miles northeast of here under the direction of Fred Christy, owner of the farm, experts from Purdue University and twelve practical farmers.

Fifteen boys will be sent to the farm each week. They will live in tents and "rough it" while learning the art of the soil.

About 150 boys will be trained during the spring, according to the present plans. Fifty of them will be sent from this city, the Terre Haute Rotary club paying all expenses and the remainder from other cities in the state.

The Y. M. C. A. and other organizations are paying part of the expenses of other lads.

Mrs. Margaret Hollowell was elected president of the Sunshine Embroidery club at the meeting which was held yesterday afternoon at the home of Mrs. Edward Chambers in West Seventh street. The other newly elected officers included Mrs. Lorene Nipp, vice-president and Mrs. Dora Collee, treasurer. The home of the hostess was arranged attractively in yellow and white and in the dining room where a dainty luncheon was served, the decorations especially suggested the Easter season where a profusion of fragrant yellow and white blossoms were arranged. During the afternoon Red Cross work was done and in addition to the comfort which the club is knitting a number of towels were hemmed. The guests were entertained with a vocal solo by Mrs. Russell Baker followed by a program of readings by Miss Eloise Nipp, Charles and George Baker.

The next meeting will be held in two weeks with Mrs. Frank Martin at her home near Raleigh.

Mrs. W. A. Woollen of West Fifth street will be hostess to the members of the Soldiers Mothers club tomorrow afternoon when the afternoon will be spent making candy for the boys in the training camps. Each member is asked to bring a box in order that the candy may be packed and sent immediately after it is made. During the business session which will mark the opening of the meeting the registration of women will be explained to the guests who will all be asked to fill out the blanks at the meeting. The women are asked to come prepared to do sewing for the Red Cross.

At the meeting of the Ladies Missionary society of the First Baptist church which was held in the parlors of the church yesterday afternoon, the registration of the women of the society was discussed and after the registration was explained, the chairman of the committee for the society, registered all of the members present. The home of Mrs. Glen Foster in North Jackson street was the scene of an attractively appointed sewing party this afternoon when she was hostess to the members of the D. T. Club and a few other guests. The house was most appropriately decorated with red and white carnations combined with a profusion of tiny American flags. During the afternoon the guests hemmed towels for the Red Cross after which the hostess served a dainty luncheon in which the colors were suggested in the ices and confections. Aside from the club members the guests included Mrs. Charles Updike and Mrs. Clifford Hardwick.

The members of the Wednesday Afternoon sewing club were pleasantly entertained yesterday afternoon at the home of Mrs. Clara Bebout in North Morgan street. During the afternoon the guests did Red Cross sewing following the signing of the registration cards which are being presented to all of the clubs of the city, as a part of the county campaign. Aside from the members the guests included Mrs. Alice Peck and Miss Blanche Cruzeman of Rockford, Ill., who is the house guest of Mrs. O. C. Brann.

The associate members of the Ladies Musicale are planning a delightful meeting for Monday afternoon when they will be hostesses to the active members of the club at the home of Misses Florine and Elizabeth Gronier. There are 127 associate members in the club.

The home of Mrs. Elmer Wynn north of Maunzy, was the scene of a prettily appointed dinner party yesterday when several guests were entertained. The dining room was made especially attractive with decorations suggestive of the Easter season and spring flowers were used in carrying out the color scheme of

Psi Iota Xi Will Not Hold Elaborate Convention And Will Contribute Money Thus Saved to Some Patriotic Fund.

The money used for the annual Psi Iota Xi convention this year will go instead for some patriotic cause and the elaborate three day convention will give way this year to a one day business session to be attended by one delegate from each chapter. The business meeting will be held in Muncie on Thursday, June 27. No social affairs will be given in connection with the meeting. The chapter fees, which in the past have gone toward the convention expenses, will be paid this year as usual and be combined and given to some patriotic war fund. The delegate from the local chapter of Psi Iota Xi has not yet been elected.

The members of the Fairview Christian church Missionary society were pleasantly entertained yesterday afternoon by Mrs. E. H. Hackleman at her home in Falmouth. Following the short business session when six new members were enrolled a short program on the "Negro Work Being Done in America," was given. The missionary mite box was opened and \$10 was added to the missionary fund.

A half a hundred guests attended the social given last night in the Knights of Columbus club rooms in West Second street. During the evening guests for eleven tables were entertained at cards while the remainder spent the evening at various games and music.

Red Cross Notes

The monthly meeting of the Red Cross executive committee and heads of the departments will be held in the headquarters on next Wednesday evening. The date of the regular meeting was changed from last night until one week later.

Amusements

Princess Theatre
"The Grell Mystery," a gripping drama of love and mystery is being shown at the Princess theatre this evening in which Earle Williams plays opposite Miriam Miles.

The "Land of Promise" is the second production starring Billie Burke to be released by Paramount Pictures Corporation and discloses the piquant young star as a young English girl whose life has had all the romance and charm of a mummy's. That is—until she reaches "The Land of Promise"—the land she had dreamed about where all her dreams would come true. W. Somerset Maugham, the author, chose Canada to represent this land, but under the sparkling surface of the photoplay, one is made to see that each individual has a "Land of Promise," in his or her own heart and that happiness lies waiting for us at our very doors. "The Land of Promise," is coming to the Princess theatre on Friday.

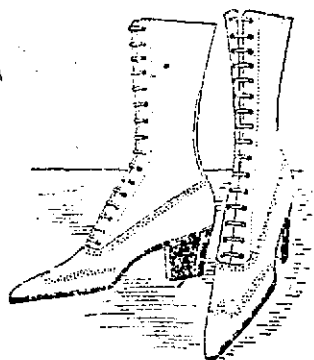

Gem Offerings
June Caprice in, "The Sunshine Maid," will appear at the Gem theatre this evening in a William Fox drama, "Miss U. S. A." The play deals with the spy system in this country and with it shows a love interest with plenty of stirring action. Miss Caprice as Capitola in the play faces death twice. She battles for her life while farreting out the spies and is saved by a young man who comes to her rescue in the nick of time. The scene is laid in Virginia at the time this country declared war on Germany. A thrilling climax is promised in the second episode of "Vengeance and the Woman," tomorrow's offering. Riding for her life down a canyon whose walls rise over one hundred feet on either side, the girl is caught in the noose of a giant thrown with amazing power and accuracy.

ALLEGES LIBEL IN \$5,000 DAMAGE SUIT

Orville E. Woolridge Files Action in Circuit Court Against Frederick Hilligoss

ALLEGED FALSE STATEMENT

Orville E. Woolridge, through an Indianapolis attorney, has filed a libel suit for \$5,000 damages in the circuit court here against Frederick Hilligoss, alleging he was libeled in a written statement of Hilligoss, which the complaint says was malicious and contained defamatory charges. The statement is set forth as follows:

"I am satisfied you have a son out in the world a' trimming (meaning unlawfully taking their money) people out of their money with what he (meaning plaintiff) would suppose is something, and is nothing. I believe that he (meaning plaintiff) is what you would determine (meaning designate) an outlaw (meaning a felon or other law violator) in a way. Now then, if this don't take to the liking of your belief, it is immaterial to me, after your son (meaning plaintiff) has (meaning as) nice a gentleman as he (meaning plaintiff) represents to be to me, and the friend of his (meaning plaintiff) that first instituted this business to me, I have got him (meaning plaintiff) ready for the workshop (meaning state prison) two to fourteen years."

Woolridge sets forth that Hilligoss charged he had unlawfully induced him (Hilligoss to give up or surrender money and was guilty of violating the criminal laws of Indiana and that the defendant intended to prosecute and send him to the state prison.

MILLION SAMMIES TO BE SENT TO ENGLAND

To Take Place of British Troops to be Sent to Firing Line After Present Training Is Finished

SOON AS SHIPS ARE READY

Washington, April 4.—A large part of the American army will be sent as soon as the ships to transport them can be assembled. This was learned today. The troops comprising the substantial percentage of those in camps in the United States will take place of British troops undergoing training in England.

According to present plans, more than one million will be shipped to France by the close of the year.

STEREOSCOPE WAR SCENES ARE POPULAR

Librarians Kept Busy Supplying People With Views of War Ridden Countries

GIVEN OUT IN LOTS OF TEN

The new stereoscope pictures which are being given out at the library in lots of ten are going like "hot cakes" and although they can be kept out only three days at a time, they are constantly changing hands. By far the most popular of the group are the war pictures, showing vividly scenes in the war ridden districts of France and Belgium and scenes on battle fields before and after battles have been fought. They are given out in lots of ten, with a stereoscope, but it has been found that many homes are already supplied with stereoscopes and only the pictures are taken.

Aside from the war pictures, there are series on countries in Europe before the war, of "Children in many lands" and several educational series.

SIDING ON BRIDGE WANTED

Believed Mock Accident Near Milroy Clearly Shows Need of It

An effort will be made to have the commissioners build a wall on the bridge west of Milroy at the point where Frank Mock's horse leaped off into the river fifteen feet below, Tuesday night, dragging the buggy and three occupants with it. It was nothing short of miraculous that none of the people was seriously hurt. Mr. Mock says that where his horse went off the bridge there is no siding, and since the necessity of one has been clearly demonstrated, it is believed that the commissioners will accede to the demands for one.

that if another call was made, he felt sure the boys would respond as willingly as they had before.

Over fifty per cent of the boys of the high school were in the Red Triangle club. The names of the boys read yesterday as having completed their pledge were: Hubert Alexander, Sybil Arbuckle, Fred Alsop, Renel Bennett, James Caldwell, Cyril Carson, Raymond Clarkson, Robert Craig, John Davis, Omer Deweese, Lotus Gartin, Robert Gilson, Emerson Headlee, Carl Johnson, John Keating, Eugene Kelly, John Kelly, Weldon Kennedy, John Lewis, George Liddle, Robert Luck, Robert McBride, Harold Miller, John Norris, Horace Pearsey, Ralph Plessinger, George Poston, Charles Pusey, Norman J. Reed, Mulk Sampson, Conwell Smith, Louis Smith, Paul Spivey, Howard Stiers, Harold Tinsworth, John K. Tompkins, James H. Watts, Merle Winkler, Claude Wright and Glenn Woods.

The original song sung by Miss Arbuckle honoring the boys had the following words:

"Our soldier boy has little joy, we see it in his eye,
His lips are all atremble, as we hear him say Goodbye
The Stars and Stripes are calling on every mother dear
He'll think of you who help him who fill his heart with cheer

CHORUS

Boys you have paid your Y. M. C. A. We are proud of you today
You've been a help to the Sammies so brave

When perils threatening are grave We always knew that you would do your bit
Now the Red Triangle has proven it

And we recommend that you try it again
So three cheers to the boys of R. H. S.

You've done a noble work today our soldiers will not forget.
When he has marched away so brave the Kaiser to get

For you go with him to the front And fill him with good cheer
You're sure the strength behind the line
With dollars earned so dear.

Six Hundred Are Wanted to Reach the Objective. Captain Cary Jackson Wants Volunteers, but if Necessary Will Draft Enough to Push the Enemy Back

If Speed Is What You Want, We Have It.

Last week it was necessary for a Middle Western distributor of Hupmobiles to convince a sub-dealer, before he would sign a contract, that the new Hupmobile Series "R" could make more than sixty miles an hour. A test was arranged and it is reported that from a standing start forty-five miles an hour was reached in fifteen seconds and that the speedometer showed sixty-three miles in exactly forty-five seconds. The car in the test carried four men and the top and windshield were up; second speed was used in starting. Even the way with its demand that economy of operation, strength of construction, and all around performing ability, shall be considered above all other qualities, cannot quiet down the average American desire for speed.

NEVER IN THE WORLD COULD I BELIEVE IT.

This Lady Was Told by Many That Pepsinco Would Help Her, But She Just Would Not Believe it.

Mrs. G. wasn't sick, but she had the same trouble after every meal. Heavy load, pain, bloating and sourness. The condition would pass off in time, but she really dreaded her meals. She often read of Pepsinco, and often heard of it, but never gave it enough thought to stop at the drug store and get a package, until a druggist gave her a small sample.

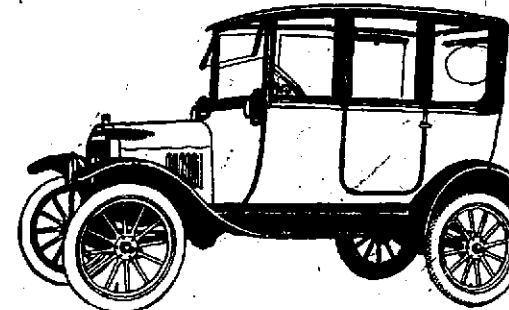

Mrs. G. now recommends Pepsinco to everyone she meets who complains of feeling bad. Never has Pepsinco had as good a booster as this lady since she discovered how good it really is. Pepsinco is made to help all bad conditions of the stomach. It never fails. It is sold and recommended by all druggists. Positively guaranteed.

Food From Your Back Yard

No. 11

PREPARE HOME GARDEN SOIL BY BREAKING UP ROUGH PORTIONS

The home gardener in the city, unlike the gardener on the farm, has not a variety of land for cultivation. He is restricted to the limits of his back yard or lawn, and therefore must solve his individual problems of preparing the soil for garden production. No matter how bad the soil in the yard may be, it must be used. More ingenuity, therefore is often necessary to supply the proper conditions in the city garden, but the task is simplified by the fact that the same principles apply in the town as in the country, and that only one kind of soil usually is met with in the back-yard food plot.

Stable manure, always valuable in the preparation of garden soil, often is hard to get and this year every effort should be made to lessen the extraordinary demand for commercial fertilizers. Substitutes for manure, however, are easily available to the home gardener. He should save every bit of vegetable refuse, lawn clippings, shrubbery trimmings, fallen leaves, kitchen waste, etc., and make a compost heap. A dirt covering will keep this material from blowing away and will prevent objectionable odors. In the spring this decaying humus-forming material should be mixed deeply into

the fine roots of garden plants. Decayed vegetable matter of any kind works on all soils in just the same way as manure, so far as the effects described are concerned, but the manure contains much more plant food. Even the loams and sandy loams, those best for gardening, can not be kept in good physical condition without manure or vegetation plowed down.

Commercial fertilizers can never serve as a successful substitute for this preliminary treatment, but they are a supplement to it, and when organic matter in the form of manure or vegetation, and also lime if necessary, has been added, the soil is in condition to make the best use of commercial fertilizers if they are needed. The use of fertilizers and manures was discussed in Article X in this series.

Break up Hard Ground

The kind of preparation that must be given to the home garden and the amount of work that will be required will depend largely on the condition of the plot and its previous use. If the garden ground has been made hard by much tramping, as is often the case in back yards, considerable labor will be needed to get into proper condition. When plowing with a team can be practiced, that is the

Long Straight Rows of Vegetables Add Attractiveness to a Garden; and They're Easier to Work.

the soil with a digging fork. Heavy clay soils are made more porous if sifted coal ashes are thoroughly mixed with them, but there is no plant food or humus in the ashes. Lime makes clay soils more granular and less lumpy. After being treated with one or more of these methods, if the soil is worked thoroughly with a digging fork or rake until it is fine and level and without clods, it is ready for fertilizing and planting.

How Fertilizers Work

Unless applied in too large amounts at one time, decayed manure holds moisture like a sponge, and so its presence greatly increases the moisture capacity of the soil and greatly lessens the danger from drought. On soils that are too heavy, manure, because of its spongy character, holds the fine clay particles apart so that they can not become massed together and form clods, while on sandy soils it fills the spaces between the coarser particles of sand. Thus it is evident that manure, by giving sandy soils more "body" in filling the large interspaces, and clay soils less body by making them more porous, greatly improves the condition of both for

best method for giving the initial breaking. In cases where the ground is not to be planted at once and hard freezing is likely to occur after spading, it may be advisable to leave the ground rough, preparing it for planting as needed. The freezing tends to break up the clods and make the soil lighter and it also destroys insects. Ground left in the rough will dry out more quickly than smoothed soil. If the plot can not be plowed, the gardener must resort to the use of a garden fork or spade or, in the case of very hard spots, a mattock. It is not sufficient that the surface be made fine. The soil should be well pulverized to the depth of the spade or fork. Then if the supply of organic matter has been provided as suggested, and the lining taken care of, the soil can be kept in good condition during the summer.

After this portion of the work is done the final of the soil, planting and cultivation are not arduous. In case one is not equal to so much exercise it may be well to employ some one to break the ground, whether this be done with plow, spade, or fork, for at all events it must be thoroughly done.

Get the Habit of Drinking Hot Water Before Breakfast

Says we can't look or feel right with the system full of poisons.

Millions of folks battle internally now instead of loading their system with drugs. "What's an inside bath?" you say. Well, it is guaranteed to perform miracles if you could believe these hot water enthusiasts.

There are vast numbers of men and women who, immediately upon arising in the morning, drink a glass of real hot water with a teaspoonful of limestone phosphate in it. This is a very, excellent health measure. It is intended to flush the stomach; liver, kidneys and the thirty feet of intestines of the previous day's waste, sour bile and indigestible material left over in the body which if not eliminated every day, become food for the millions of bacteria which infest the bowels, the quick result is poisons and toxins which are then absorbed into the blood causing headache, bilious attacks, foul breath, bad taste, colds, stomach trouble, kidney misery, sleeplessness, impure blood and all sorts of ailments.

People who feel good one day and badly the next, but who simply can't get feeling right are urged to obtain a quarter pound of limestone phosphate at the drug store. This will cost very little but is sufficient to make anyone a real crank on the subject of internal sanitation.

Just as soap and hot water act on the skin, cleansing, sweetening and freshening, so limestone phosphate and hot water act on the stomach, liver, kidneys and bowels. It is vastly more important to bathe on the inside than on the outside, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

RED BLOOD OR YELLOW IS THE BIG QUESTION

"Color Scheme" Idea is Being Worked Into Third Liberty Loan Drive More Than Ever

"POINT WITH PRIDE" RECORD

Indianapolis, Ind., April 4.—Conspicuous and compelling in the publicity for a previous Liberty Loan Drive in Indiana was an emphatic, forceful declaration for Hoosier citizens to prove whether through their veins runs "red blood or yellow." Accumulative effect of this bold, frank assertion was apparent in the marked stimulation of subscriptions to the loan at the time when interest seemed to lag. The "color scheme idea," in the meantime, has proved contagious and the word comes now from many places that two colors will figure prominently in the Third Liberty Loan Campaign, yellow and pink. Appropriate enough, every person financially able to buy a bond and refusing, will be recorded at these places on the yellow—the slacker card. The pink card will be used as a record for those who are satisfied to "do their bit" instead of their "utmost."

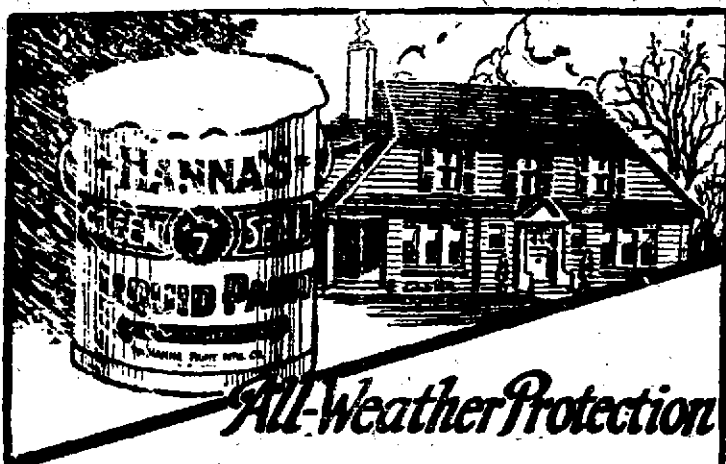

The bond salesman it is reported will carry both cards and where an individual is found who does any less than his full duty, his name will be certified to a permanent record to which his descendants are not likely to point with pride.

URGENT APPEAL FOR MORE NURSES

Surgeon General Gorgas Asks That 5,000 Additional be Supplied by June 1

7,000 ARE ALREADY ENROLLED

Physicians Employing Nurses Should Make it Possible For Them to be Ready to Go

Another urgent appeal for registration of more nurses was issued yesterday by Miss Mary M. Roberts, director of nursing, Lake Division, American Red Cross. The appeal was made in response to Surgeon General Gorgas' recent request that the Red Cross supply 5,000 nurses before June 1 for service in American military hospitals in the United States and abroad.

"More than 7,000 nurses have been enrolled by the Red Cross since the United States became a participant in the war," said Miss Roberts today, "but as the war progresses, the imperative need for a greater army of nurses grows daily."

"An earnest appeal is made to the registered nurses of Ohio, Indiana and Kentucky to volunteer for this service. We also appeal to the public and to the physicians employing these nurses to make it possible for them, without too great a sacrifice, to hold themselves in readiness to respond to the call of their country."

"We also wish to bring to the attention of nurses the unusual opportunities offered by the War Risk Insurance Law. The provisions of this bill apply equally to nurses assigned to duty as members of the Army and Navy Nurse Corps and make it possible for the nurse to secure, at nominal rates, protection for herself as well as for designated members of her family dependent upon her."

"A great responsibility rests upon the nurses of the country. They are the only group of women recognized as a part of the military establishment. While thousands of nurses will be needed, the number is relatively small compared with the number of women in America who should stand back of them and make possible the service for which they are so greatly needed."

"No finer patriotic service can be rendered by well educated young women anywhere, than that of the students in schools for nurses who are definitely preparing for the larger professional field of the graduate nurse."

Gings Co. Petitions to Raise Price From 25 to 40 Cents

The Farmers Fuel company of Gings, Union township, has filed a petition with the state public service commission asking authority to increase its rates for gas from twenty-five to forty cents a thousand cubic feet. The hearing on the petition has been set for April 13 at 11 a. m. and will be held at the office of the commission in the state house in Indianapolis.

Rheumatics Made Happy

Satisfied That "Neutrone Prescription 99" is All That's Claimed

This reliable prescription has, since being placed in the hands of the public, done more to remove Rheumatic Troubles than all previous remedies combined.

It is different from other remedies in that it does not upset the stomach or impair the heart, a condition heretofore thought impossible.

It is not a cure-all but a remedy to be taken internally treating Rheumatism as a constitutional disease, by its general action through the blood.

The treatment is a most complete combination of rheumatic-reducing elements and is dependable to produce results from the fact it aims at rheumatism as a disease of the blood.

HOSPITALS BUILT TO CARE FOR SAMMIES

American Boys Injured in France Will Receive Best of Treatment on Return From War

AT CAMP ZACHARY TAYLOR

(By United Press.)

Camp Zachary Taylor, April 4.—Sammies injured in France will be rebuilt and their bodies made as sound as modern surgery and scientific discoveries made possible at the base hospital now being constructed here.

The hospital will have a capacity for 2,000 men. It will be devoted exclusively to convalescents brought from the war zone.

Twelve buildings are included in the group. The cost will be near \$400,000. It covers a ten acre tract. In the center will be a recreational building for the Red Cross. The wards will be connected by long corridors so that patients will not have to go outside in going from one building to another.

In another section, drafted men who have slightly physical defects will be built up and their difficulties overcome so that they can be made into soldiers. Drafted men who have flat feet or other such ailments which ordinarily would cause them to be rejected from the army, will be treated.

GIVEN APPOINTMENT AS SUPERINTENDENT

Dr. Bacon, Head of M. E. Churches in Connersville District, Goes to Indianapolis

VALUABLE MAN TO DISTRICT

Dr. C. E. Bacon, district superintendent of the Methodist churches of the Connersville district, has been chosen by Bishop Thomas Nicholson to take the place of the Rev. A. B. Storms as superintendent of the Indianapolis district. The Rev. A. B. Storms has been called to become president of the Baldwin-Wallace college at Berea, Ohio and this vacancy made by him was the cause of Dr. Bacon's appointment. The Rev. J. M. Walker of the New Albany district has been asked to succeed Dr. Bacon.

Dr. Bacon is well known in this city and throughout the county and the word of his change in the district is received with regret here. It means, however, added responsibilities and comes in recognition of Dr. Bacon's valuable services in this district.

FARMERS INTERESTED IN 5 ACRE CONTEST

J. A. McCarthy of the Purdue Extension Bureau Will Address Contestants Saturday

RAISING PLEDGE MONEY

Instructions concerning the five-acre corn contest which has caused a stir of enthusiasm in the parts of the county where it has been explained will be given Saturday afternoon at two o'clock in the teachers examination room in the court house.

J. A. McCarthy, a member of the Purdue extension board, will address the meeting and explain in detail any questions which contestants might wish to have answered concerning the rules governing the contest.

Marion Dietrick who has the plans for the contest for Rush county under his direction, has been met with heartiest enthusiasm among all of the farmers in the various districts which he has visited. The pledge money of \$50 which each county must raise as a guarantee of their interest in the contest, has almost been reached.

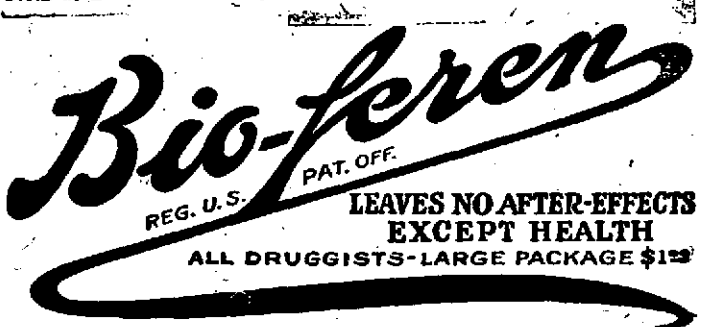

TO FIGHT WITH BRITISH

London, April 4.—News that American fighters will be brigaded with the British for immediate fighting created interest here. There was as much enthusiasm as over a big enemy defeat.

Grandpa Is Sixty-four Today

and in the best of health. Hale and hearty, with good, red blood, good appetite and good digestion. Grandpa's nerves are steady, too. He takes care of himself. He keeps himself fit. He sees to it that his nerves and blood are in good shape. When he finds that he is eating without relish, feeling a little depressed and cross, always all day yet can not sleep at night, he begins his treatment of Bio-feren, the nerve and blood tonic. Bio-feren, a compound of Lecithin, Iron, Pepsin and other valuable tonic elements in tablet form, is just exactly what the average tired business man, the average housekeeper needs at this season of the year. It tones the nerves and puts vigor and energy into the system. There is no mystery about Bio-feren. Every package shows just exactly the content. Ask your doctor about Bio-feren, or, if you wish, send us his name and we will forward him the complete formula. Give Bio-feren a fair trial. If it doesn't make good your money will be pleasantly returned to you. Interesting booklet will be mailed you on request. Large package \$1.00 at all good druggists or direct if your druggist don't handle it. The Sentinel Remedies Co., Cincinnati, Ohio.
